

PLMSWA Employment Opportunity

WTE Assistant Operator

The Perham Resource Recovery Facility, a waste-to-energy facility located in Perham, MN currently has an opening for a **WTE Assistant Operator**. Essential duties include operating, cleaning, monitoring, and assisting with maintenance on the Waste to Energy side of the plant when necessary. A high school diploma (or equivalent) and two years of previous work experience in industrial maintenance, power plant operations, or a closely related field is required and/or any equivalent work experience.

The salary range for the WTE Assistant Operator position is a grade 5 (\$22.87/hr. to \$31.23/hr.) With full-benefit package. New employees starting pay is based on the level of experience as an Assistant Operator. This position is full-time with a rotating work schedule including nights, weekends, and holidays.
